Headline:
A dry and sunny day Friday, some cloud at coasts.

Today:
Low cloud will lift through the morning then burn back to the coast to give a dry warm sunny afternoon for most. Some patchy low cloud may linger near the coast. Maximum temperature 24 deg C (75 deg F).

Tonight:
A warm and sunny evening inland, but low cloud along the coast will once again spread inland overnight. Mainly dry but some patchy light drizzle possible. Minimum temperature 12 deg C (54 deg F).

Saturday:
Low cloud burns back in the morning to give a dry sunny day for most, but cloud likely to linger along the coast, although this thins and break at times. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Mostly dry warm and sunny on Sunday, some low cloud in the east. Cloudier with showery rain on Monday and Tuesday.
